Phas-Lok Adjusting Hubs

**Easy and Accurate Phase Adjustment**

The Phas-Lok Adjusting Hub is an economical, yet precise device. It provides an easy way to change the phase relationship of a drive component and the shaft. It is ideal for fine tuning timing adjustments, adjusting for chain elongation, and sprocket tooth wear. The Zero-Max Phas-Lok provides an accurate, mechanical adjustment within a 24 degree range (±12°).

---

**Phas-Lok Adjusting Hub**

**Size A**
Max Bore 7/8" or 22mm

**Size B**
Max Bore 1-1/2" or 38mm

**Size C**
Max Bore 2-1/2" or 65mm

Blank bore models available.

**Phas-Lok for the Browning Bushing**

**AX**
Use with Browning "G" Bushing

**BX**
Use with Browning "H" Bushing

**CX**
Use with Browning "Q1" Bushing

**Phas-Lok for the Standard QD Bushing**

**B-QD**
Use with QD Series "JA" Bushing

**C-QD**
Use with QD Series "SD" Bushing

**Warranty**

Zero-Max, Inc. the manufacturer, warrants that for a period of 12 months from date of shipment it will repair, or at its option, replace any new apparatus which proves defective in material or workmanship, or which does not conform to applicable drawings and specifications approved by the manufacturer. All repairs and replacements shall be F.O.B. factory. All claims must be made in writing to the manufacturer. In no event and under no circumstances shall manufacturer be liable for (a) damages in shipment; (b) failures or damages due to misuse, abuse, improper installation or abnormal conditions of temperature, dirt, water or corrosives; (c) failures due to operation, intentional or otherwise, above rated capacities, and (d) non-authorized expenses for removal, inspection, transportation, repair or rework. Nor shall manufacturer ever be liable for consequential and incidental damages, or in any amount greater than the purchase price of the apparatus. Zero Max, Inc. reserves the right to discontinue models or to change specifications at any time without notice. No discontinuance or change shall create any liability on the part of Zero-Max, Inc. in respect to its products in the hands of customers or products on order not incorporating such changes even though delivered after any such change. This warranty is in lieu of all other warranties, express or implied, including (but not limited to) any implied warranties of merchantability or fitness for a particular purpose. The terms of this warranty constitute all buyer’s or user’s sole and exclusive remedy, and are in lieu of any right to recover for negligence, breach of warranty, strict tort liability or upon any other theory. Any legal proceedings arising out of the sale or use of this apparatus must be commenced within 18 months of the date of purchase. CAUTION: Rotating equipment must be guarded. Also refer to OSHA specifications and recommendations.
